About Us

Recently, Idaho HOSA has welcomed its first Middle School Chapters allowing for younger future healthcare professionals to experience the career preparation, skills, and knowledge HOSA provides. We thank you for supporting our mission by taking an interest in starting a chapter in your middle school. This brochure contains the basics you will need to know about HOSA and starting a middle school chapter.

Our Strengths :

- Prepares members with hard and soft skills necessary to enter the workforce
- Offer practical knowledge, with a focus in health sciences through competitive event and other experiences
- Encourages learning and trying new things to develop personal growth
